

Thank you for consulting this page !

Updated each week, by Wednesday morning, we hope this "Best Times to Visit" information will be helpful to you when choosing a day and / or a time of day to visit when there will be less waiting time for a table.

*Here are the best suggestions for the last 2 days of our 2017 season;
December 15th and December 16th.*

Friday is the best choice.

There will likely be no waiting at any time on this date.

We are offering our usual hours of 5 - 8:30. The bar will be open by 4.*

On Saturday, December 16th, we are opening early. There will be available seating beginning at 4:30pm and suggest the earlier, the better regarding your arrival time.

We expect the waiting time to be minimal at any time on this date.

** Remember, we seat until this time. The buffets remain open later.*

Thank you all so much for the pleasure of your company during our 2017 season. We wish you wonderful holidays and a safe and healthy winter and if we don't see you this weekend, we will certainly look forward to seeing you on or after April 20th, 2018.

Sincerely,
~The Persson Family
